Greeting and Blessing:

It is a long time since I have heard from you, but I assume that is in itself a sign that everything is in order.

I am enclosing a copy of my letter to the Weills, which is self-explanatory. I believe that you are mutually acquainted. Needless to say, I will be pleased to hear your views on the subject matter. It is surely unnecessary for me to add that I am interested to know your opinion with complete candor, since that is the purpose of an exchange of ideas.

I am also enclosing a copy of my message mentioned in my letter to the Weills, which I trust you will find of interest in any case.

With all good wishes, and

With blessing, *M. Schneerson*
