2 לוח כולל-תב"ד.

“The tremendous *kochos* invested by the Rebbeim in Tomchei Tmimim remain deep within each student forever. Throughout his entire life, at his core he is a *talmid* of the Rebbeim.”

(*Likkutei Sichos* vol. 14, pp. 323–324⁸)

“The students of Yeshivas Tomchei Tmimim are the soldiers of *Beis Dovid*. Through spreading Torah with *yiras shomayim* and arousing others to do *teshuvah*, they will rescue *Klal Yisroel* from the enemies of Hashem and from those who ridicule the coming of *Moshiach*.”

(*Sichah of Kol hayotzei lemilchemes Beis Dovid*, cited in *Sefer Hasichos* 5749 vol. 2, p. 697)

“Each house can—and should—become a small version of Tomchei Tmimim, through Chassidus being studied there.”

(*Sefer Hasichos* 5751 vol. 2, p. 808)

- In connection with 15 Elul, the Rebbe encouraged studying the *sichah of Kol hayotzei lemilchemes Beis Dovid*, said by the Rebbe Rashab on Simchas Torah 5661 (1900).⁹
- Additionally, *farbrengens* should be arranged in each place where there is a branch of Yeshivas Tomchei Tmimim, attended by all the students of the yeshivah, both past and present. These *farbrengens* should be held with a big *shturem*, to the extent that we will be able to say that “there was no Yom Tov as great as the fifteenth day of Elul!”¹⁰
